Letter of Invitation

April 23, 2019

Dear Educational Thought Leaders & Partners:

OESCA, OTESCA, and The Management Council will actively engage our collective memberships in building the next generation of innovative educational thought leaders at the annual *Connect & Collaborate* conference, September 16-17, 2019!

This joint professional learning experience targets personnel from educational service centers (ESCs), information technology centers (ITCs), other regional providers and school districts.

The annual event will be held at the Renaissance Columbus-Westerville, 409 Altair Parkway, Westerville, Ohio, 43082.

Participating as a conference sponsor and tradeshow exhibitor will introduce your company to new prospects as well as strengthen existing relationships. These opportunities also allow our members access to new and innovative solutions to the ongoing educational and operational challenges that face educational service providers and our client school districts. **It's a win-win situation for you, for our membership, and for the districts and students we all serve!**

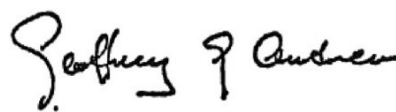

Attached is a list of other sponsorship levels and openings, and an exhibitor application. Opportunities are available on a first come first serve basis – don't delay! You'll want to be part of this important conference and learning event. The deadline to register to exhibit at Connect & Collaborate is **June 15, 2019**.

Please join the ESC and ITC memberships as we **CONNECT & COLLABORATE** to drive improvement for all students regardless of where they live and attend school. We look forward to hearing from you soon. Should you have additional questions, please contact the OESCA office at (614) 846-3855 or via email at info@oesca.org.

Sincerely,

**Craig E. Burford, Executive Director
