March 30–31, 2023
Cherry Valley Hotel • Newark, Ohio

The Management Council and the ITC Conference Committee are excited to announce its first annual meeting, [OECN United Conference: Creating Bonds, Building Knowledge](#). The goal of the conference is to provide learning, connecting, and networking opportunities for ITC team members in all areas of operation.

We are extending this invitation to submit a proposal to present at the conference. Breakout sessions are forty-five minutes, which include Q&A, and will be scheduled Thursday (business day) and Friday (morning). There are five tracks:

Technology/Security • Fiscal/HR • SIS/EMIS • INFOhio • Other/Misc.
