

Employment Opportunity

The Management Council of the Ohio Education Computer Network

Seeks: Software Developers

Effective: April 10, 2023

Application Deadline: Posting remains open until position filled

The Management Council of the Ohio Education Computer Network seeks innovative and enthusiastic individuals to join our State Software Development Team. The State Software Development Team develops software solutions for Ohio Schools. We are a dynamic team of developers who follow agile practices including sprints, code reviews, CI, CD, automated unit and functional testing.

Successful candidates will be current on industry tools, standards and practices. Experience working on a software development team is preferred.

Desired Qualifications:

- Minimum of an associate degree in a technology related field or equivalent experience
- Knowledge and experience with the Java programming language
- Knowledge of developing and utilizing REST based APIs
- Knowledge of agile software development practices
- Knowledge of design patterns and coding best practices
- Experience working with the spring framework, hibernate / JPA, PostgreSQL and modern UI frameworks is preferred
- Applicants are expected to describe, document or demonstrate:
 - Software development aptitude, strong problem solving and critical thinking skills, excellent organization and time management skills, the ability to work independently and collaboratively with team members, excellent writing and communication skills

The successful candidates will work remotely with some in person time required in Archbold, OH. Occasional travel throughout Ohio may be required. This full-time position includes an excellent benefits package along with a salary commensurate with education, experience and the successful candidate's potential for excellence. The anticipated salary range is \$50,000 to \$70,000 per year.

The position description is below and is available on <https://www.mcoecn.org/who-we-are/careers/> while this opportunity is open. Interested professionals should submit a cover letter and current resume to: Greg Buddelmeyer (HR@managementcouncil.org). This posting will remain open until the position is filled.

The Management Council reserves the right to fill the position prior to the application deadline and to not fill or to repost the position if a successful candidate is not selected. Every consideration will be given to underrepresented and nontraditional candidates. The Management Council does not discriminate on the basis of race, color, religion, sex (including pregnancy, gender identity, and sexual orientation), parental status, national origin, age, disability, family medical history or genetic information, political affiliation, military service, or other non-merit based factors.

About the Management Council and the Ohio Education Computer Network

Ohio's Information Technology Centers (ITCs) work together through a statewide network known as the Ohio Education Computer Network (OECN). The Management Council represents and supports the collaborative efforts of the OECN, which implements a broad spectrum of academic and administrative technologies across Ohio's PreK-12 education system. While the ITCs and the Management Council are the key components of the OECN, other organizations collaborate in the OECN, including the Ohio Department of Education and OARnet. Ohio district and school customers are the primary beneficiaries of the system of services and support from organizations of the OECN.

Job Description
Software Developer
Management Council of Ohio Education Computer Network

Reports to: Project Manager

Overview: Develops, tests, debugs and provides technical support for software applications.

Specific Duties:
