

# Ohio Education Job Board

## Ohio's Resource for Jobs in Education

### Your One Stop Shop For Education Recruitment in Ohio

Welcome to Ohio's Education Job Board, where you can recruit new teachers, administrators, and staff in all areas of education. Built specifically for the education industry, the Ohio Education Job Board is the central hub for K-12 jobs in Ohio. From teachers to bus drivers to support personnel, if you post an open position on the job board, an applicant can search for it by zip code, job category, grade level, and job type.

### Attract More Applicants

It's easier than ever for applicants to apply for your open positions. The central job-listing page includes a robust search function that includes multiple filters and an interactive map. These features streamline the job search process for prospective candidates making it easy to find your opening and apply.

More than 1,300 Candidate Profiles Created in 2023

### Ohio Education Job Board

# Ohio Jobs Start Here

## More than 3,700 Education Roles Posted on Average

### Job Listing Aggregation

Efficiently post your job openings on one statewide job board. No time is wasted posting to multiple sites.

### Robust Candidate Pool

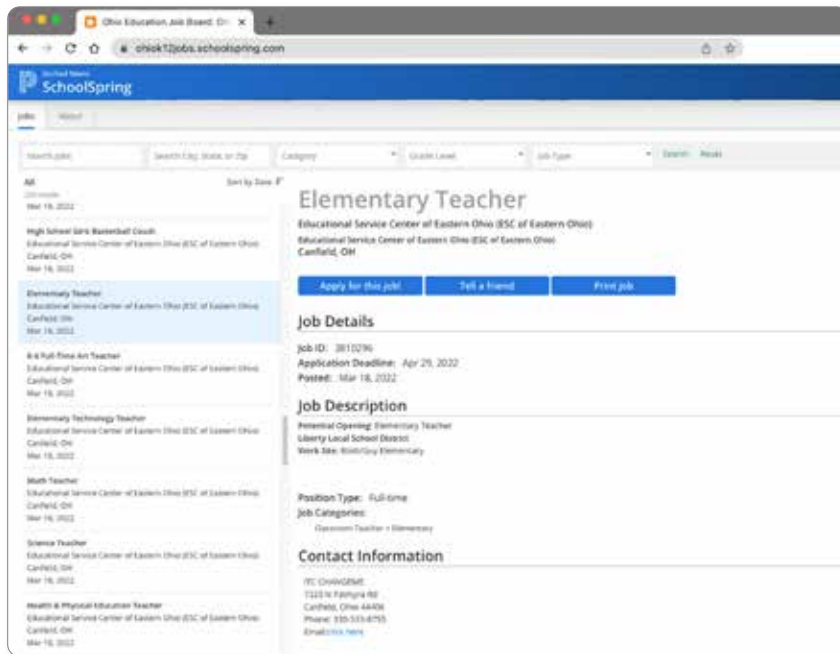

Recruiters can search the candidate pool for potential applicants, review their profiles, and invite them to apply for jobs. Use the save feature to save a candidate's profile if you are not ready to invite the candidate to apply.

### Interactive Map

Applicants can navigate the interactive map to view available job postings in a specific or global geographical area making it easier for them to find posted positions in the desired location, attracting top-tier talent.

### Smooth Integration

Use the job board on its own or integrate it with your PowerSchool or Frontline Applicant Tracking solution.

One location to reach the teachers, administrators, and support staff who are looking for employment in an education setting.

For information on how to get started, and how your district can benefit from this service and attract more applicants, contact your ITC.
